### **ACUA Advocates Donations to Earthquake Victims in Haiti**

As most of us are no doubt aware, Haiti was struck by a catastrophic 7.0 earthquake on January 12, 2010. More than three million of Haiti's nine million people have been affected, with many homeless and some still trapped in debris. The United Nations (UN) is calling for international support, and suggests that the most helpful contribution at this early stage is monetary.

Arizona Chinese United Association ([www.azchinese.org](http://www.azchinese.org)) advocates donations to earthquake victims in Haiti. Individuals are encouraged to continue to work directly with the charities of your choice. Organizations, associations, and business units are free to pursue your own actions as you feel appropriate.

Contributions may be made in many ways, including online or by phone. You may designate that your donation be used specifically for Haiti relief efforts. Please feel free to check the newspapers for more information and charitable organizations helping with the relief effort. Here are a few now accepting donations on behalf of the Haiti earthquake relief effort:

American Red Cross: [www.redcross.org](http://www.redcross.org)

CARE: [www.care.org](http://www.care.org)

International Rescue Committee: [www.theirc.org](http://www.theirc.org)

Save the Children: [www.savethechildren.org](http://www.savethechildren.org)

World Vision: [www.worldvision.org](http://www.worldvision.org)

**Thank you for your care and generosity in response to this crisis in Haiti.**
